At Red Bridge Farm, West Chester, PA

Budget-buster dressage lessons with Ange Bean

Balancing the checkbook and our need for lessons sometimes is tricky. This clinic can help. Pick your topic, and your level, and Ange, who has extensive group-lesson teaching experience, will guide you through your workout, complete with suggestions for your at-home follow-up training. The topics will be:

- Focusing on your seat and position to improve your horse's connection to the bit
- Focusing on lateral work to improve your horse's suppleness
- Utilizing cavaletti to add variety and improve back strength

Hope to see you there!

About Ange:

- ARIA certified Level 3 Dressage and Stable Management
- Extensive continuing education at USDF Instructor workshops and Trainer's Symposiums
- USDF Bronze medalist
